

## Agrar on-board tool set

### AGRARSET MOBIL

Art.No. 97830217  
GTIN 4018754337101  
Model AGRARSET MOBIL

#### Label.

Agrar on-board tool set AGRARSET MOBIL L.445mm W.110mm H.290mm 38 pcs.

#### Features.

- Tool kit especially for the agricultural industry
- extra-large combination spanner in double version for more leverage, especially for loosening tight bolted connections
- Optional supplementary set 96830278 available
- Perfect dimensions for storage behind the driver's seat of tractors
- in fold-out textile bag

#### Contents 38 pieces:

7 combination spanners **No. 14:** 10; 13; 17; 19; 22; 24; 27 mm (2x each)  
1 slotted screwdriver DRALL+ **No. 4622 6:** 2.5 X 14.0 X 250 mm  
1 slotted screwdriver DRALL+ **No. 4620 4:** 1.2 X 6.5 X 150 mm  
2 PHILLIPS® screwdrivers DRALL+ **No. 4630:** PH1, PH2  
1 set of ballpoint hexagon socket screwdrivers **No. 10767/9:** 9 pieces  
1 Water pump pliers **No. 6551 6:** L.240 mm  
1 Side cutter, polished **No. 6600 3:** L.160 mm  
1 fitter's hammer **No. 10961:** 800 g  
1 Flat chisel **No. 102/150:** flat oval  
3 pin punches, octagonal **No. 108/150:** 2.5; 4; 6 mm  
1 cable knife **No. 12320**  
1 telescopic LED torch with magnet **No. 13122**  
1 wooden ruler **No. 13111:** 2 m  
1 socket spanner bar **No. 12918/10**

## Advantages.

The mobile agricultural tool set can be stored behind or to the side of the driver's seat to save space and is therefore always ready to hand

The combination spanners are available in the common spanner sizes of 10, 13, 17, 19, 22, 24 and 27 mm and are available in duplicate to enable countering when screwing

Extra-long combination spanners allow more force through optimum leverage, e.g., for tight screw connections

Everything at a glance: Screwdrivers, offset screwdrivers, hammer, chisel, pipe wrench, side cutter, folding ruler, ring spanners, pin punches, magnetic torch, and a pocket knife

A practical magnetic tray for storing small parts such as screws can be placed on any metal object.

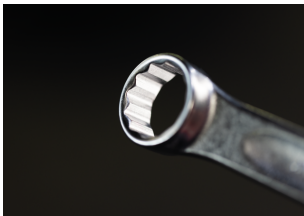

## Product highlights.

### Sturdy.

The handle protection sleeve underneath the hammer head ensures best protection in case of misses and long-lasting product quality.

### Slimmer.

Extremely thin-walled rings facilitate work in confined spaces. In addition, the rings are higher than standard nuts – which prevents the spanner seizing on the nut.

### More robust.

When force is applied to a spanner, the greatest force acts on the area between the jaw and the shank, which is why STAHLWILLE spanners are reinforced at this point. The special design makes the load zones more resilient, which reduces the risk of breakage to a minimum.

## Technologies and features.

### Anti-Slip-Drive

The AS-Drive® profile enables highforce transmission without damaging the fasteners. While the force acts on the flats of the screws, the corners are left free and are not rounded off.

### 2-component handle

Our 2-component handle is non-slip and has an ergonomic shape. It is resistant to oils, grease, fuels, brake fluids and Skydrol.

### Double T-profile

The double T-profile of the STAHLWILLE open-ended and ring spanner has a recess in the middle of the shaft. This reduces the weight of the tool and ensures safe handling. The spanner provides exceptional grip and facilitates reduced work fatigue.

## Technical Attributes.

|                 |         |
|-----------------|---------|
| Number of tools | 38 pcs. |
| Width mm (b)    | 110 mm  |
| Filling volume  | 0,26 l  |
| Height mm (h)   | 290 mm  |
| Length mm (L)   | 445 mm  |
